

COBBLE COURT • 1335 YORK AVENUE • NEW YORK CITY

Dear Harrietti,

Mr Sargent came up and said I didn't have a case and so I wrote Vincent Astor and that's the jist of that. It might give you a laugh. I feel rather foolish that you should bother with so many picayune problems for picayune returns with such petty crooks as Mr. Trube. Why are they so boringly evasive. Who do they think they are! - A writer!

Love

Margaret
